

explore newstead

A creative suburb filled with a formidable array of cafes, health and beauty havens and design meccas.

01 REMEDIAL POLISHED

Shop 1, 16 Chester Street, Newstead T. 3216 0686 www.polishednailsandbeauty.com.au
 Designed to feed the mind, body and soul, Polished Nails and Beauty in Newstead offers a full range of services for all your beauty needs. Professional service and express beauty treatments include waxing, pedicures and manicures, lash grafting and spray tanning (St Tropez). After a beauty treatment, book in for a structural kinetics session, which realigns and restores balance to the body, or indulge in traditional Chinese, remedial, Swedish and deep tissue massage to ease stress and re-energise. Using the most reputable products and equipment, the friendly staff offer a high level of skill and attention to all their customers. Beauty comes from within and the team at Polished Nails and Beauty will get you pampered, polished and feeling beautiful as soon as you walk into the treatment rooms.

02 CREATE VALLEY EDGE DESIGN CENTRE

75-77 Doggett Street, Fortitude Valley T. 3257 2000 www.valleyedge.com.au

Valley Edge Design Centre make it their business to make your business look great. Image is everything! From business stationery to company brochures, newsletters and all types of signage including pull up banners, the Valley Edge Design Centre team are committed to producing professional results while providing great service to potential and existing clients.

The team's specialist knowledge ensures accuracy and sharpness in all colour and imaging. Facilities include commercial Heidelberg printing presses that produce the highest quality in colour brilliance. Their Roland digital printer delivers large format photo-quality prints on adhesive vinyl, canvas or banners for outdoors. The signage department has extensive manufacturing facilities and is experienced in the install of all types of commercial signage.

The team maintains a 'drop everything' attitude to ensure that your job will be completed in the fastest possible time with quality and care, so that your business can get on with 'the job' sooner. Operated by talented designers and professionals who care about quality, colour and service makes Valley Edge Design Centre the smart choice for your business communications needs. If you can't seem to find the right supplier, give them a go.

03 INTERIOR/EXTERIOR OBJX

Studio 3b, Chester Street, Fortitude Valley T. 3252 1633

Everybody wants to be a designer and now you can. Objx, in collaboration with emerging Belgium design company Sixinch, brings the opportunity for you to create bespoke furniture for your home. Manufacturing indoor and outdoor furniture using polyurethane, Sixinch challenges you to create your own unique design and then match it to any Pantone colour, making the furniture fun, flexible, durable and water resistant. Or choose from modular blocks, seats, lounges and tables to give your home a personalised touch with the colour you have always imagined. Awarded 'Best in show' at last year's International Contemporary Furniture Fair in New York, Sixinch is set to make a big impact over the coming years and Australia has it first at Objx.

04 MODERN NIKASHA FURNITURE

Shop 3, 9 Chester Street, Fortitude Valley T. 3252 1706 www.nikashafurniture.com

Providing contemporary, custom-designed residential and commercial furniture, Nikasha boasts 24 years of combined experience and an emphasis on creating unique solutions for clients. Husband-and-wife team Nicholas and Sarah also run a contemporary design practice and combine the two businesses to provide a holistic approach to interior design, taking clients from concept development to manufacture. Nikasha welcomes you to its premises, exhibiting fine examples of its furniture as well as an exclusive range of gifts and lifestyle products by LAVA. Promoting ethical trading, LAVA is an importer of unique homewares such as rugs, ceramics, artwork, cushions, bags, jewellery and other natural handmade/crafted products.

05 CHANGE AURORA 2

969 Ann Street, Fortitude Valley T. 3852 5227 aurora.2@bigpond.com

Getting change from a \$50 note is always a good thing. Providing a different kind of change is Aurora 2 in Newstead, with local, fairtrade, recycled and organic gifts and items for the home. Beneficiaries of this boutique store include the communities of NSW that supply Aurora 2 with hemp and organic cotton bags and fabric goods and the two Australian women living in Pakistan crafting beads, hand-woven belts and fashion in aid of local Muslim women. Penny and Carol, the owners of Aurora 2 opened a store to fulfil a need for socially responsible products in Brisbane. Aurora 2 are proud to stock eco-brand Heath Nash, which turns other people's rubbish into lamp shades, hat/coat racks and badges as well as Oiko, supplying bags and cushions crafted from natural wax hemp textiles.
